May support bowel regularity

Made from 100% Real Food

- Each meal or snack is made of 5-8 simple ingredients, providing easy access to a true blenderized diet

Nutritional Variety

- Offers a variety of protein sources, fruits, vegetables, whole grains, and fat sources across 8 different meals from real foods
- A variety of Real Food Blends meals can be used to customize nutrition plans to help address the dietary needs of each patient

Nutritionally Customizable

- No added salt** or sugar†
- No added color, flavor, or synthetic ingredients
- No dairy, nut, or soy ingredients

Convenient Ready-to-Feed

- Premade, shelf-stable meals and snack provide the benefits of a blenderized diet with the simplicity of a ready-to-feed product

*Compared to other blenderized enteral formulas

**Not a sodium-free food

†Not a low-calorie food

For insurance billing purposes, all meals are listed under the Healthcare Common Procedure Coding System (HCPCS) B4149.

[†]Nutricia North America does not represent these codes to be National Drug Codes (NDCs). NDC-format codes are product codes adjusted according to standard industry practice to meet the format requirements of pharmacy and health insurance systems.

Additional Information

- Can be used by adults & children.
- Can be administered as bolus, pump or gravity feeding.[§]
- For the original 6 meals: Use a 14 Fr G-tube or larger. For Select™ meals & Mini snack: Use a 12 Fr G-tube or larger.
- Real Food Blends meals can be used as a primary source of nutrition, or in conjunction with tube feeding formula or home blenderized diet.
- If Real Food Blends meals are used as a primary source of nutrition, consider a multivitamin and mineral supplement and an additional calcium and sodium source.

[§]If consistency with gravity or pump feeding is a concern, dilute with fluid.
